**November Escalation in Gaza**

Between 12 and 14 Nov, 2019, the Gaza Strip witnessed another significant escalation in hostilities in which many buildings were destroyed and hundreds of people were affected. According to the information verified by Shelter Cluster based on figures from MoPWH, ICRC/PRCS and MoSD, the Israeli air strikes in Gaza left 12 residential housing units destroyed, 12 houses severely damaged and approximately 500 housing units with partial damages. A total of 24 families, comprising 135 people including 48 children of less than 5 years old, were internally displaced and hosted with relatives and extended family.

This dashboard summarizes the needs, responses and gaps in shelter interventions to alleviate the suffering of affected people:
